# Empire Morning

Tableware in the Imperial Style. The classical spirit of the “Impero” collection meets the virtuosity of villari’s craftsmanship to create a sober, elegant and stylish collection. The relish for proportion and balance, typical of the Neoclassic Age, is mitigated by the festoon pattern that embellishes the feast, enlightening the guests and enhancing a joyful atmosphere thanks to its 24 ct gold finish.

# Amour

Elegant and delicate, the Amour Collection is inspired by an antique macramé lace embodied on fine biscuit porcelain, that highlights the transparencies through luminous porcelain lampshades. The relief part is accentuated by the precious biscuit porcelain, framed by a shiny detail painted in precious 24k gold. The contrast of colours and materials creates a sophisticated effect.

## THE ARTIST

## Leone Villari

Born in 1981, Leone VILLARI has grown up next to his family's porcelain factory and has developed his innate artistic talent alongside his overflowing imagination. For this collection he has focused on the harmony and balance of shape and volume of each sculpture. Every detail is hand made by master craftsmen using traditional techniques for the modelling and decoration. Graceful postures and the alliance of porcelain and Swarovski Elements gives the sculptures a highly artistic aspect.

## Royal Peacock

The peacock represents spiritual perfection and complete mental purity, it is considered a symbol of fortune, since it embodies the immortality, the birth and the personal growing. Its gorgeous colour represents the awakening of a person's spirituality and light together with the purity of intentions full of love. Looking at the image of a peacock can have therapeutic effects on our soul.

## Saker Falcon

It is no coincidence that the Egyptian god Horus was embodied on earth as a falcon. A powerful bird of prey full of strength, yet endowed with natural elegance and the extraordinary balance of which it is a symbol. VILLARI's Saker Falcon has just returned from flight and is quietly resting upon a fine glove, while its fierce demeanour expresses all its typical regality.

## Al Lahab

A devoted human companion, the Arabian horse is the object of a mystical love. Legend tells how God will allowed the release of colts from the agitated waters of the ocean to teach the wind to blow stronger. Aware of this creature's importance, VILLARI represents it in a very natural form with its proud posture gently ruffled by its wondrous tail.

# Royal Dragon

As one of Oriental mythology's eternal protagonists, the Chinese dragon is the symbol of fortune; it represents the Yang - the emblem of goodness and prosperity. Generating the most vivid fantasies, a mythological creature embodies different animal species. These are beautifully portrayed in this masterpiece, an example of the finest artisan ability: the Dragon has a mighty and sinuous body, rapacious paws, a magnificent mane, the horns of a deer and the incredible head of a crocodile. The VILLARI dragon has a mighty and twisted body, its head is reclined revealing its open jaws. Its figure releases an abundance of positive energy, thanks to the precious 24 carat gold decoration. All these elements give to the piece a perfect combination of force and elegance.
