RICHMOND

Divano angolare Sectional sofa

Soft lines and slender volumes, embellished and exalted by the stylistic detail of stitching on seats and the quilting, give the Richmond sofa great personality. Through its modular elements, it is possible to imagine a multiplicity of combinations, creating unprecedented plays of volumes, punctuated by a rhythm of solids and voids.

RICHMOND

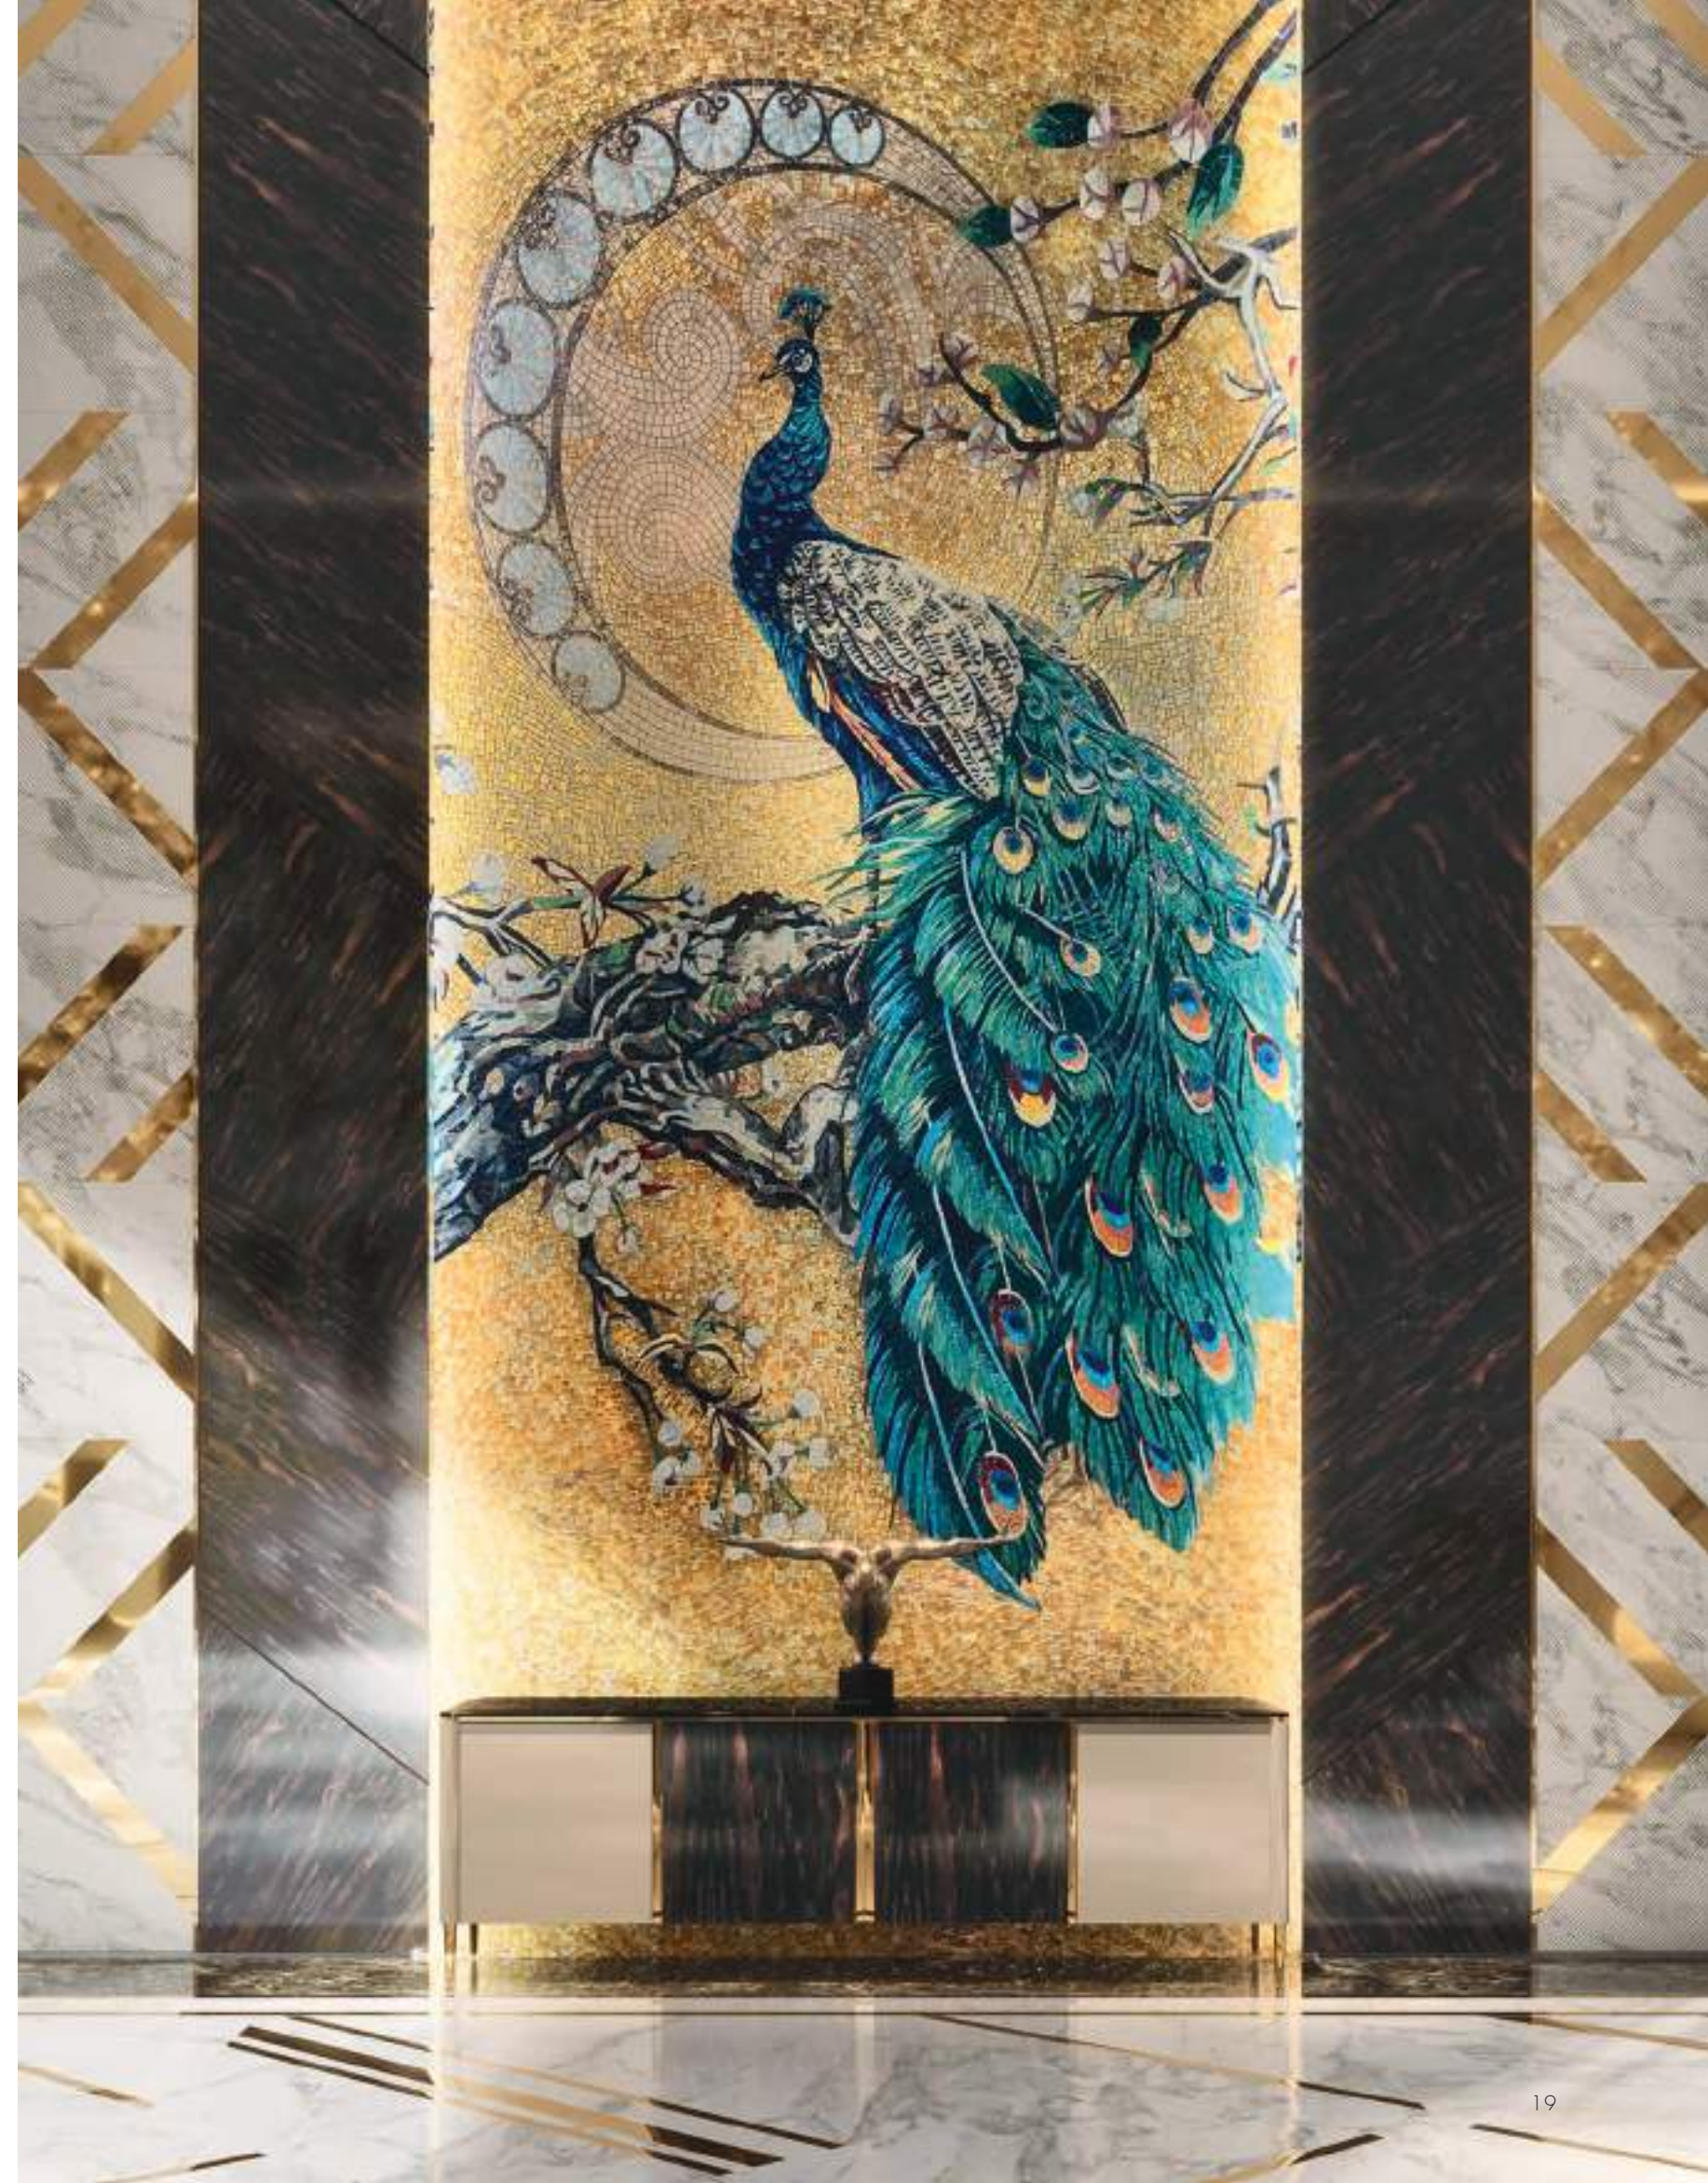

Console Console

With the Richmond collection, the home is experienced as a transmission of culture, as an element of knowledge, as a search for the beautiful and the useful, without limits.

Knowing wood and its secrets means knowing and loving it in all its varieties carefully selected by us. The selection moment is not the only decisive moment, the seasoning of our woods also has a great influence, which is entirely natural and taken great care of in all its phases, from the bonding of panels and boards through to the right diversification of thicknesses.

The Italian spirit of making aesthetic choices is continuity, a distinctive approach and desire to affirm one's cultural roots. Mastery lies in knowledge of often hand-made finishes, in understanding how to solve what is apparently impossible to achieve, and in the selection of the very best, the newest, and the most exclusive.
