A TALE
OF BEAUTY
AND
CRAFTMANSHIP

N
NAURELLE

Héritage expresses Jumbo Collection's most authentic spirit in a series of evocative settings with a refined classic appeal, characterized by the richness of Louis XV and Louis XVI style decorations.

A tribute to the French grandeur of the 1600s and 1700s, where the charm of the sophisticated spaces recalling the elegance and sumptuousness of the noble palaces of the Eighteenth century is updated and reinterpreted according to an eclectic, dynamic and contemporary approach.

The constant presence of the decorations - *trait d'union* among the different set ups - becomes a way to convey emotions and to communicate a timeless idea of beauty. Baroque carvings, Rocaille ornaments, neoclassical-inspired shapes, Japanese motifs and experimental elements come together to create spaces that are different every time, tailor-made projects that meet the needs of customers all over the world, making their dreams come true.
